Housing donations are sought

Barbara Armor of Grante City is looking for donations for a handicapped housing building to be located at 900 Niedringhaus. Earlier this month, Milton Morris, who began OATH (Organization for The Advancement of the Handicapped) in Madison, announced that the building the owns on Niedringhaus will be renovated to serve handicapped George Mathis, who have both been striving to find more handicapped housing in the area, could not have been happier. The only thing left to do is renovate the property as handicapped accessible, and for that donations are needed.
